

SPAY-TACULAR

PARTY FOR PAWS

Your sponsorship will drive meaningful change for pets and the families who cherish them. Sponsorship is a stand for compassion that strongly resonates with millions of Michiganders who believe animals deserve humane care, dignity, and a chance to thrive.

Let's shape a future together where no pet is left behind.

Each year, over 50,000 dogs and cats rely on All About Animals for vital wellness services. Since 2005, we've led Michigan in delivering high-quality, low-cost spay/neuter, and preventative care. We proudly support pet families, shelters, rescues, animal control agencies, and Trap Neuter Return groups on the East Side of the state. Our work helps animals stay healthy, brings pets and people together, and keeps beloved companions where they belong - at home.

This year, we celebrate our 430,000th spay/neuter. Will you help us reach even more?

Your sponsorship today helps transform the lives of 50,000 more animals.

By partnering with All About Animals Rescue, you empower:

- **Access to Veterinary Care:** Your support keeps essential vet services affordable and accessible - reducing suffering and preventing needless surrenders due to health.
- **Life-Saving Spay/Neuter:** Sterilization saves lives. Spaying just one animal can stop 100 others from being born into homelessness and an uncertain future.
- **Community Cat TNR Efforts:** Through humane Trap Neuter Return education and sterilization, we break the cycle of suffering for feral and community cats.
- **Detroit Pets For Life:** Our outreach program offers no-cost preventative vet services to families in underserved neighborhoods, ensuring these pets get care.

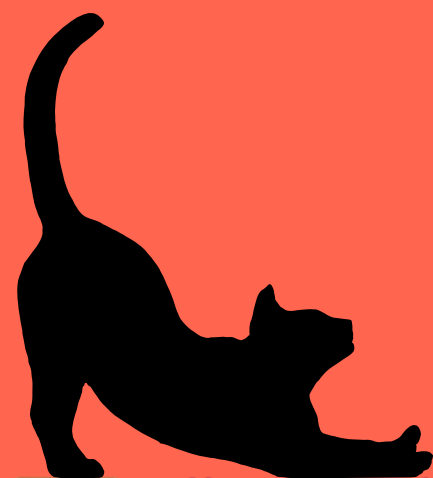

Your partnership matters! You will make tomorrow better. Will you stand with us to change lives?
